

Geoghegan Newsletter

MARCH 2024

We have had a lovely winter term in Geoghegan House. As we don't write a report card comment for this reporting period, I wanted to give parents a newsletter that offers some insight into what has been happening in the house over the past few months

Though we didn't get very much snow this year, there has been consistent snowfall from January to March, which had delighted many of the girls who have never experienced snow before. Our grade 10 group took a trip to the local ice rink for some skating fun which was a bonding experience for everyone. Our biggest snowfall came mid-January when we had a snow day which the girls greatly enjoyed.

Our cultural dinners continued into the new year as we tasted delicious food from Vietnam, the Philippines, and China. New Year celebrations took place for several weeks throughout the house and we welcomed boarding parents who live nearby to come and make dumplings and rice balls to celebrate with us.

Food is always an important part of boarding life. From pizza parties to cooking competitions to every day creations, Geoghegan House loves to cook!

Just before Spring Break, we took a whole house outing to Victoria where the girls got a chance to shop and have a lovely dinner together at the Old Spaghetti Factory. We also celebrating the achievements of our artists at the CVAC Youth Arts showcase.

We wish everyone a relaxing Spring Break and a great final term of the year. We hope you hear stories of the Grace, Growth, and Gratitude expressed by your daughters when they return and we will miss them while they are away. Thank you for trusting us with their care.

Sincerely,
Jessica Lyric and the Geoghegan House team
